What about when movements come to a halt?
Panta Rhei & Capere Locum
All humans move & stop - nomads & city dwellers
Moving & changing & stopping

Moving between modes and places to arrive & stay put
TOD: connecting flows & nodes

Railway stations & dense urban development
London regeneration strategy
Transport interchange & high rise development
Development to finance railways
Old Oak Common interchange project
London: Charing Cross station

Suspended building above Charing Cross station and railway bridge
London: Charing Cross station: access

Charing Cross station south

Charing Cross station north
London Bridge Station

Context: hyper-densification with Shard and London Bridge City
Impact on Public Realm

Environment, accessibility, ownership and control

Example: London Bridge Station
London: Waterloo station

Foreground: part of densification around Waterloo station
London: Waterloo station access

Access through area remaining to be redeveloped
London: King’s Cross station

Masterplan: Railway Land
London: King’s Cross station

Masterplan: Railway Land conversions and new build
London: Liverpool Street station

BID and Redevelopment after 20 years
London: Liverpool Street station

BID and Redevelopment after 20 years
London: Victoria station

BID: Total laissez faire
London: public transport accessibility
London Plan Monitor 2017

Map 3.6 - London Public Transport Access (PTAL) Map 2015
